

# **PAYANYWHERE SMART TERMINAL**

## **The smart and wireless credit card terminal.**

EMV chip cards, contactless payments, magstripe cards. The Payanywhere Smart Terminal is the portable credit card reader that does it all — and more. Create a transaction on the smart terminal touchscreen running on Android software and accept credit cards in a flash. The Payanywhere Smart Terminal is the smart choice for a number of businesses including coffee shops, beauty salons, medical offices, and more.
