

# **PAYANYWHERE SMART FLEX**

## **The hybrid terminal and point of sale.**

Accept credit cards on the Payanywhere Smart Flex POS terminal. This large touchscreen point of sale is equipped to accept EMV chip cards, contactless payments like Apple Pay and Samsung Pay, and also includes a built-in magstripe reader. The Smart Flex is meant for businesses who want maximum flexibility in their POS system - from mobile payments to a countertop point of sale, it's whatever you want it to be!
