

Payanywhere Smart Terminal Mini.

The compact and wireless credit card reader.

The Payanywhere Smart Terminal Mini is a handheld smart payment system powered by the advanced functionality of the Payanywhere app. Use the touchscreen on the smart and portable credit card reader to accept credit cards, such as EMV chip cards and NFC contactless payments, including Apple Pay or Samsung Pay. It's an environmentally friendly mobile credit card reader, perfect for a number of businesses, including salons, pay-at-the-table restaurants, coffee shops, and delivery businesses.
