

Payanywhere Smart POS+

Putting the smart into POS systems.

Transform your countertop with the Payanywhere Smart POS+, an all-in-one point of sale designed for serious business. It's more than a credit card terminal, it's a POS device that includes a large format touchscreen for managing sales and processing payments. The built-in reader allows you to accept EMV chip cards, contactless payments (such as Apple Pay and Samsung Pay, and magstripe cards.
